Press Days: December 2-3, 2009  
**Public Show Days: December 4-13, 2009**  
Los Angeles Convention Center

## **SECURITY BULLETIN**

- The Los Angeles Auto Show will once again be using wristbands for security and access purposes during set-up, teardown and non-show hours. Wristband colors will change based on the type of show day (Move-In, Press Days, Public Days and Move-Out). The appropriate wristband must be worn and easily visible on the wrist in order to gain access to the exhibit halls.
- Wristbands will be issued by show security from their two offices located outside of South and West halls. Wristbands may be required beginning as early as Monday, November 23, 2009. On that morning, the supervisors of each company will need to submit a complete list (see attached form) with the name of each working individual for all days. If changes or additions are needed, a revised list must be resubmitted.
- Starting at 3 p.m., wristbands for the following day will be available for supervisors to pick up for additional personnel. It will be the responsibility of the supervisor to distribute the appropriate color wristbands to their working personnel. If an individual arrives late for work, they need to check in with their supervisor to receive their wristband.
- For further information or questions, please call show management at (310) 444-1850 through November 23 and at (213) 765-4617 beginning November 24.
